

Private Training

Whether its basic obedience or trick training
Totally Pawsable Dog Training
is here to help.

From pulling on the lead to learning to heel or 'let's go', inappropriate jumping and mouthing, digging and destruction, barking, acceptable social behaviour, toilet training, help in all aspects of new puppy and dog ownership, crate training and rehabilitating 'rescue dogs' you have come to the right place.

We are here to help you enjoy a quality fun filled relationship with your dog. Nothing maintains that foundation you've built, or the relationship and trust you are investing with YOU and YOUR dog more than positive reward based training.

Training should be happy, consistent, reward-based and most importantly
FUN!
