

# Reward-Based Dog Training

The Australian Veterinary Association (AVA) recommends the use of positive reinforcement (reward-based) training for dogs as the preferred method of training.

We at **Totally Pawsable Dog Training** do just that.

We believe in the welfare of your animals, which is paramount to positive reinforcement training. Our duty of care is to both handler and dog whose behaviour we seek to change.

We are here to help you reap the benefits of a socially acceptable and responsible companion throughout The Southern Highlands and beyond. We will enhance what can be achieved with your dog through trust, respect and honesty in a force-free, happy and safe environment.
