

# Obedience & Rally Obedience

## **New to the sport of Obedience?**

Are you ready to take the next step? Learn how to train your dog for the fun and skill of Obedience trialling. From training the basics, enrolling with Dogs NSW, entering the trial ring and what to do when you get there.

As current triallers and Instructors we have plenty of experience to impart and love watching a team work together.

## **Advanced Obedience Training (CCD, Novice and CDX):**

Advancing, finessing and enriching your skills for enjoyment and unity with your dog in the trialling ring.

Splitting up the exercises and making it a delightful experience, working together as one - TEAMWORK.

Stability exercises, trial practice and group stays.

## **Rally Obedience Training:**

Starting at Novice, learning the signs... what's required from you?

Practising the Rally-O stations with your dog.

It's great fun for you both, praising and communicating with your friend and enjoying working the stations together as a team.

This sport continues further with your dog working off-leash in Advanced, Excellent, Rally Advanced/Excellent, Masters and the finale, Championship.

Interpretation of signs and rules included, dependent on level of experience.
